4/14
4/27 FINAL DAY

If you keep items past the final day of your co-op, please make an appointment to return items or stay tuned for June “return drop” dates in Forest City and Clear Lake.

ALL library materials checked out during the 26-27 school year are due back by July 1st 2027.

The EXCEPTION being CURRICULUM (white dot items) checked out after April 1st 2027 which will not be due back until July 1st 2028. This will allow you to begin planning for the following year.

Curriculum is allowed 1 renewal. This accommodates for taking two years to finish a book or a second child who may be using the book the following year. If you need it longer than 2 years, please contact the library and exceptions may be made in special cases.

The Fig Tree Library will be closed June and July. No items can be put on hold during this time. The library will reopen for holds on August 1st.
